

Final Programm

Friday, 28 September 2018

07:30 – 08:00	Registration
08:00 – 08:15	Opening Ceremony Prof. K.H. Link, em. Director of Surgical Center Asklepios, Wiesbaden, President ICRCC Prof. M. Kornmann, University Hospital of Ulm, President of ICRCC 2018

Session 1	
Prevention and Management of Primary Cancer – Part 1	
Chairpersons:	Link K.H., Wiesbaden, Germany; Yin L., Shanghai, China
08:15 – 08:30	Stefan Schmidt University Hospital of Ulm, Germany Standards of preoperative staging modalities
08:30 – 08:35	Discussion
08:35 – 08:50	Artem L. Goncharov Central Clinical Hospital of the President's Administration, Moscow Robotic-assisted versus laparoscopic colectomy
08:50 – 08:55	Discussion
08:55 – 09:10	Leopold Ludwig Gastroenterologische Schwerpunktpraxis, Dornstadt, Germany Effect of screening on frequency and stage of colon and rectal cancer. Data provided by German insurance companies
09:10 – 09:15	Discussion
09:15 – 09:30	Stefan Benz Klinikum Sindelfingen-Böblingen, Germany Technique and outcome after laparoscopic right hemicolectomy- CME (Video)
09:30 – 09:35	Discussion
09:35 – 09:45	Short coffee break

Session 2	
Prevention and Management of Primary Cancer – Part 2	
Chairpersons:	Benz S., Böblingen, Germany; Ji Z., Nanjing, China
09:45 – 10:00	Matthias Petscher University Hospital of Ulm, Germany Management of thromboembolic prophylaxis in colon and rectal cancer in the era of minimal-invasive surgery
10:00 – 10:05	Discussion
10:05 – 10:20	Lu Yin 10 th people's Hospital, Shanghai Tongji University, China Local resection for both early stage rectal cancer and locally advanced rectal cancer
10:20 – 10:25	Discussion
10:25 – 10:40	Alexander Meining University Hospital of Ulm, Germany Endoscopic treatment of colon and rectal cancer
10:40 – 10:45	Discussion
10:45 – 11:00	Hermann Brenner German Cancer Research Center, Heidelberg, Germany Epidemiology of colorectal cancer in the era of screening colonoscopy
11:00 – 11:05	Discussion
11:05 – 11:20	Coffee break in Industrial exhibition

Final Programm

Friday, 28 September 2018

Session 3	
Management of Liver Disease	
Chairpersons:	Henne-Bruns D., Ulm, Germany; Maystrenko N.A, St. Petersburg, Russia
11:20 – 11:35	Janine Baumgart, Hauke Lang University Clinic of Mainz, Germany Two-stage hepatectomy and ALPPS for colorectal liver metastases
11:35 – 11:40	Discussion
11:40 – 11:55	Shuyou Peng Zhejiang University, Hangzhou, China Microinvasive ALPPS for CRLM
11:55 – 12:00	Discussion
12:00 – 12:15	Thomas Seufferlein University Hospital of Ulm, Germany Modern treatment concepts to downsize colorectal liver metastasis
12:15 – 12:20	Discussion
12:20 – 12:35	Leonid O. Petrov, D. Sidorov, M. Lozhkin, A. Karpin, A. Isaeva Moscow Science Oncological Center, Russia Two-stage liver resections for metastatic colorectal cancer – ALPPS vs. PVL/PVE
12:35 – 12:40	Discussion
12:40 – 12:55	Jiang-tao Li Zhejiang University Second Hospital, Hangzhou, China Resectable multi-organ metastasis from colorectal cancer: Personal and China experience
12:55 – 13:00	Discussion
13:00 – 14:00	Lunch break - Get-together in Industrial exhibition

Poster Discussion Session 1 – 13:30-14:00 (each poster 5 min)

Session 4	
Management of Locally Advanced & Recurrent Rectal Cancer Prevention and Management of Complications	
Chairpersons:	Chernikovskiy I., St. Petersburg, Russia; Mori T., Tokyo, Japan
14:00 – 14:15	Leonid. Petrov, D. Sidorov, B. Alekseev, M. Lozhkin, A. Kaprin, D. Eryugin Moscow Science Oncological Center n.a. P.A. Herzen, Russia 100 pelvic exenterations for locally-advanced primary and recurrent rectal cancer: Single-center experience
14:15 – 14:20	Discussion
14:20 – 14:35	Marko Kornmann University Hospital of Ulm, Germany Reconstruction of the pelvic floor using biceps femoris and gracilis musculi
14:35 – 14:40	Discussion
14:40 – 14:55	Andrey N. Pavlenko, Kirill G. Shostka, Alexey M. Karachun, Alexey A. Sakharov Saint Petersburg University Clinic, Russia Quality of life and prognostic factors in patients with rectal cancer after pelvic exenterations
14:55 – 15:00	Discussion
15:00 – 15:15	Zhenling Ji Zhongda Hosital, Southeast University School of Medicine, Nanjing, China Parastomal Hernia: Prevention and Treatment
15:15 – 15:20	Discussion
15:20 – 15:30	Short coffee break

Final Programm

Friday, 28 September 2018

Session 5	
„Pelvic Floor and Organ Reconstruction“	
Joint Session with the German Society of Plastic and Reconstruction Surgery (DGPR)	
Chairpersons:	Kornmann M., Ulm, Germany; Li J., Hangzhou, China
15:30 – 15:50	Takeo Mori Tokyo Metropolitan Cancer and Infectious Disease Center Komagome Hospital, Japan The reconstruction of new urinary bladder using right hemi-colon for far advanced colorectal cancer widely invading the urinary bladder (Komagome Method)
15:50 – 16:10	Ulrich Kneser BG-Klinik Ludwigshafen, Germany Reconstruction of the pelvic floor after extended rectal resections
16:10 – 16:30	Andrei Domanski Science Oncological Center n.a. N.N. Petrov, Saint Petersburg, Russia Experience of pelvic floor reconstruction in the absence of plastic surgeons
16:30 – 16:50	Carolin Nestle-Krämling Evangelisches Krankenhaus Düsseldorf, Germany Reconstruction after extended resections – view of a gynecologist
16:50 – 17:10	Discussion

17:15 – 18:00 Round table discussion: International health care systems

Short Introduction : "Overview of Chinese Healthcare in a city district"

Zhenling Ji, MD., PhD, President of Nanjing Lishui People's Hospital, Zhongda Hospital Lishui Branch, Southeast University

18:00 Meeting of International Colorectal Cancer Club Members

Saturday, 29 September 2018

08:40 – 09:00	Registration
---------------	--------------

Session 6	
Colon and Rectal Cancer Surgical Techniques and Management of Complications	
Chairpersons:	Ivanov A., St. Petersburg, Russia; Staib L., Esslingen, Germany
09:00 – 09:15	Iliy L. Chernikovskiy, N.V. Savinovich, A.A. Smirnov, A.V. Gavrilikov Moscow City Oncology Hospital N62; Saint Petersburg Cancer Center, Russia The new view to surgical anatomy and oncological principles of colon cancer. Is it new or well forgotten old?
09:15– 09:20	Discussion
09:20 – 09:35	Takeo Mori Tokyo Metropolitan Cancer and Infectious Disease Center Komagome Hospital, Japan The result of non-inferiority randomized study for LLLD + TME and TME alone for rectal cancer
09:35– 09:40	Discussion
09:40 – 09:55	Marko Zelic University Hospital Rijeka, Croatia Education in laparoscopic colon and rectal surgery. How should we do it?
09:55 – 10:00	Discussion
10:00 – 10:15	Alexey A. Sazonov, Nikolay A. Maystrenko, Andrey A. Hvatov Military Medical Academy, St. Petersburg; Leningrad Regional Clinical Hospital, Russia Multidisciplinary approach in the treatment of geriatric patients with locally advanced

Final Programm

	colorectal cancer
10:15 – 10:20	Discussion
10:20 – 11:10	Coffee break in Industrial exhibition

Poster Discussion Session 2 – 10:40-11:10 (each poster 5 min)

Session 7	
Treatment Options for Peritoneal Metastasized Cancer	
Chairpersons:	Link K.H., Wiesbaden, Germany; Peng S., Hangzhou, China
11:10 – 11:25	Aviram Nissan Sheba Medical Center, Tel Aviv, Israel Peritoneal metastasis of colorectal origin: An update
11:25 – 11:30	Discussion
11:30 – 11:45	Marcello Deraco Fondazione IRCCS Istituto Nazionale dei Tumori, Milano, Italy Peritoneal metastasis from colorectal cancer and pseudomyxoma peritonei from mucinous appendiceal neoplasm
11:45 – 11:50	Discussion
11:50 – 12:00	Short coffee break in Industrial exhibition

Session 8	
Palliative Treatment Concepts and Future Directions	
Chairpersons:	Nissan A., Tel Aviv, Israel; Zelic M., Rijeka, Croatia
12:00 – 12:15	Thomas Ettrich University Hospital of Ulm, Germany Palliative treatment based on individual molecular biology of the tumor
12:15 – 12:20	Discussion
12:20 – 12:35	Michael Fedorov Cyberknife Center, Munich, Germany Cyberknife radiosurgery for metastatic colorectal cancer: combined local and multimodal treatment
12:35 – 12:40	Discussion
12:40 – 12:55	Andreas Berger, Ulm University Hospital of Ulm, Germany Value of liquid biopsies: prediction of response and progression
12:55 – 13:00	Discussion
13:00 – 13:15	Andrey S. Ivanov Saint-Petersburg National Research Academic University of the RAS, Leningrad Regional Clinical Hospital, Russia Expression profiling of colon and rectal cancer samples as predictive factor for resistance to chemotherapy
13:15 – 13:20	Discussion
13:20 – 13:30	Summary of the meeting and closing remarks
13:30 – 14:00	Farewell Lunch
